

## **TOUCHING HEARTS SENIOR CARE CAREGIVER TRAINING**

**At Touching Hearts Senior Care, our caregivers are totally committed to caring for seniors. They are highly qualified and carefully selected individuals who are personally and thoroughly screened, bonded and insured. Most importantly, our caregivers are dependable and extraordinary in the caring of others.**

### **CERTIFIED DEMENTIA CAREGIVERS**

**In addition to their previous experience and studies in healthcare, our caregivers receive extensive and continuous training to become a Certified Dementia Caregiver. This training is exclusive to Touching Hearts Senior Care caregivers and we are the only company in the state of Alabama to offer this certification and education.**

**The Certified Dementia Caregiver Training includes the following 12 components along with the Positive Approach to Care training created by renowned Dementia expert Teepa Snow.**

**This training is presented by Gina Germany, who is a Certified Senior Advisor, Certified Dementia Practitioner, and a Certified PAC trainer.**
